

What to Expect at The Jackson Clinics *Hands on Physical Therapy*

We work as a team. You will be evaluated by your physical therapist (PT) and each visit you will be seen for up to 30 minutes by that therapist. You will also be seen by a gym team specialist, primarily for exercises prescribed by your therapist. Your total treatment time is between 75 to 90 minutes, sometimes longer or shorter based on your needs. Remember, we work as a team; therapist, assistant, ***and*** you, the patient. Your therapist is responsible for determining those needs based on your evaluation.

The Plan of Care. Your physical therapist will determine your plan of care based on your diagnosis, your comprehensive evaluation that the therapist performs, and the recommendation of your physician. Essentially, PT's do four things;

1. *Stretch*
2. *Strengthen*
3. *Functionally retrain, and*
4. *Educate the patient* about their condition and what they need to do at home to overcome the problem.

You can expect a global evaluation. We look at you as a machine. In therapy we like to say that “we fix the world’s most complex machine.” During your exam your therapist looks for dysfunction in your machine that may contribute to your painful condition, then develops a plan to make the machine function normally again. If your therapist or assistant is out of the clinic for any reason, such as illness, continuing education, or vacation, we will make every effort to have a replacement so that your **plan of care** is not interrupted. We understand that patients can get a little attached to their therapist, but be assured, if your therapist is out, the person treating you is licensed, qualified, and is aware of your needs based on your chart and consultation with your therapist.

Exercise. Exercise is the core of all of our interventions. Your therapist determines from your exam and history what exercises are appropriate, but we need your help. Home exercise is a cornerstone of our treatment. We will give you plenty to do at home, and to recover you need to be compliant. Again, if your therapist is away it is essential that you continue coming to therapy for no other reason than to avoid an interruption in your exercise program.

PATIENT GUIDELINES

Welcome and thank you for selecting **The Jackson Clinics** for your physical therapy care.

Our mission is to offer you the highest quality care in a comfortable, efficient and safe manner. Listed below are some guidelines for your review. Throughout the time you receive services from our organization, please feel free to contact any member of our team with questions or if you need any information.

Wishing you good health,
The Jackson Clinics

- **Primary Care Referrals:** Please obtain all of the necessary referral forms, if required by your insurance, from your primary care physician in advance of your visit.
- **Co-Payments:** Co-payments must be paid upon the patient's arrival. We accept checks and most major credit/debit cards.
- **Non-covered services:** Supplies and equipment must be paid for at the time of service.
- **Attire for Physical Therapy:** Shorts or sweatpants with an elastic waistband may be ideal, particularly if we are treating the lower extremities. Loose-fitting clothing is recommended for treatment of the upper extremities.
- **Tardiness:** Please call if you are running late. Physical therapy treatments may be abbreviated for patients arriving 10-15 minutes late. If you arrive more than 15 minutes late you may be asked to reschedule. Obviously, we try to deliver the same respect for your time – if we are running late, the session will be completed in its entirety.
- **Appointment/Cancellation Policy:** I understand that physical therapy has been prescribed for me and that physical therapy is an ongoing process which requires regular attendance to be optimally effective. I understand that if I am late for my appointment, I may be given the opportunity to reschedule my appointment or to accept an abbreviated treatment for that day. I understand that if I cancel or no show for three cumulative appointments, The Jackson Clinics may discharge me from care for being non-compliant.

I have read and understand the above guidelines.

FINANCIAL POLICY STATEMENT

We would like to thank you *for* choosing The Jackson Clinics, LP and allowing us to provide your healthcare needs. The policies listed herein have been approved by the management with the goal of providing the finest care and service to our patients at the least cost.

Care delivered by this facility will be administered regardless of race, color, creed, social status, national origin, handicap or gender.

We are committed to providing you with the best possible care. In order to accomplish this, we need your assistance in reading and understanding financial responsibility and our payment policy.

RESPONSIBILITY FOR THE BILL

It is the expectation that all patients/guarantors receiving services are financially responsible for the timely payment of the charges incurred. While the clinic will file verified insurance for payment of the bill(s) as a courtesy to the patient, the patient/guarantor is ultimately responsible for payment and agrees to pay the account(s) in accordance with the regular rates and terms of the clinic in effect at the present time.

POINT OF SERVICE COLLECTIONS

Payment for service is due at the time service(s) is rendered and non-emergency services may be declined until the necessary payment arrangements have been accomplished.

Payment will be accepted in checks and all major credit/debit cards. We will be happy to file verified insurance on your behalf. For your convenience if your check is dishonored or returned for any reason, we will electronically debit your account for the amount of the check plus a processing fee of \$50.00.

Patients paying out of pocket for the services rendered are considered self-pay patients. Payment is due at time of service, \$150 for initial evaluation and \$120 for ongoing treatment.

Patients unable to comply with the Point-of-Service payment policy will be referred to the administrative office for necessary arrangements.

PAYMENT ARRANGEMENTS

The clinic will make a reasonable effort to assist patients in meeting their financial obligations. Financial arrangement for payments will be made at the clinic's discretion, based on the amount of the patient's liability and the patient's ability to pay based on a completed credit application.

PATIENT SCHEDULING

Every effort will be made to schedule the patient at the patient's convenience. Patients will be advised of the clinic payment policy at the time appointments are made along with the best estimate of the cost of the office visit.

ACCEPTANCE OF INSURANCE

The clinic will accept "Assignment of Benefits" on verified insurance policies and submit a bill to the carrier on the patient's behalf. It is understood that insurance is filed as a courtesy to the patient and does not relieve the patient of financial responsibility. Claims filed will be held 45 days pending payment. The patient/guarantor will be responsible for payment in full on all the claims not paid within the allowed period of time.

VERIFICATION OF INSURANCE

Because of the wide range of insurance plans in effect, the clinic will verify insurance coverage, deductibles and other limits, prior to acceptance for payment of services.

PRE-CERTIFICATION

The clinic will make every effort to pre-certify all services, provided the clinic is supplied with the necessary information.

REJECTED CLAIMS

Our staff is trained to assist you with insurance questions. COVERAGE ISSUES can only be addressed by your employer or group health administrator. Although our assistance is available, we *cannot act* as a mediator on your behalf.

RELEASE OF INFORMATION

By signing our release of information form, you provide us with the authority to release such information as is necessary to collect from insurance companies and other third party payers.

PATIENT RESPONSIBILITY

Balances after insurance are due within 30 days of the insurance payment, unless other *satisfactory* arrangements have been made with the clinic.

Not all services are covered by all insurance companies. It should be understood that by accepting the service(s), the patient is responsible for payment regardless of the fact that insurance covers the service or not.

The clinic cannot become involved with any third party liability matters and must always look to the patient/guarantor for payment of the bill.

OUTSTANDING BILLS

The clinic reserves the right to request deposits and payments for outstanding balances. Deposits will be based on the outstanding balance plus the patient's share of the bill for the new services to be performed.

HEALTHCARE LIENS

The clinic reserves the right to file healthcare liens against the patient and other responsible parties as is deemed appropriate to protect the clinic interest.

BAD DEBTS/LEGAL ACTION

If the account is not paid in full or satisfactory arrangements made within the allowable time frame, the clinic reserves the right to refer the account to an attorney and/or a collection agency for collection of the balance.

I agree to assume responsibility for all charges incurred should collections of this balance become necessary including court costs and attorney's fee.

The administrative and management welcomes the opportunity to discuss any aspect of the financial policy. We appreciate your confidence and strive to provide quality healthcare.

In the event that The Jackson Clinics must file a law suit to collect a debt, I agree the jurisdiction shall be in the courts of Loudoun County, VA.

I have read the *Financial Policy/Policy Statement* and understand regarding above.
